LIGHT ASSIST 2.1

LIGHT ASSIST 2.1 is designed for people who cannot drive by themselves for their daily movements.

For some disabilities, a third party assistance is required for any journey. The power add-on LIGHT ASSIST 2.1 acts like a powerful and compact attendant aid preventing the third person from exerting him or herself.

HOW DOES IT WORK ?

The extended handles make pavements and other obstacles easier to get over.

Even the highest kerbs will no longer be a problem.

Secure, ergonomic and easy to handle,
gain more freedom with **LIGHT ASSIST 2.1 !**

Let's go for a walk with
LIGHT ASSIST 2.1.
